

100 POINT IDENTIFICATION CHECK

Identification checks such as these are regularly used to verify identities and ensure our online prescription system is up to government standards.

You can take a picture or scan several documents at once and upload them through any of 2 provided fields. We require identification from List 1 and another from List 2. Your identification should have the same name on both; and it should match the name on your vet registration. If they do not, please provide either a birth or a marriage certificate.

The file can only be a jpeg and the file size should be no larger than 1MB. If you have any problems uploading your images, please send your document copies to:

Bova

1/304-318 Kingsway
